RE: November 7, 2000 Election

Dear Madam/Sir:

Please treat this letter as a formal complaint against ABC, CBS and CNN News concerning their broadcast over the federal airwaves of information which, I believe, was designed to affect the outcome of the Election held on November 7, 2000.

It is my contention that the national networks delivered information during their telecasts beginning around 8:00 o'clock p.m. on the evening of November 7, 2000 relaying voting results on the east coast, prior to the polls closing on the west coast. That conduct, I believe, affected the National Election and should not be tolerated.

Very truly yours,
YOUNG & CO.
